December

TAIS News

It was another great month for TAIS !

On 16 December we held our Christmas Market. The market was a great success and we were able to raise 1,000 Euro which was donated to Centro Laila, a charity organization which helps underprivileged children. We would like to thank all the parents and teachers for their hard work to make this event a great success.

Our inaugural Christmas Concert at the Santa Luisa Auditorium was a memorable event. All the classes did a spectacular job performing traditional holiday songs and plays.

We also took the time to award World Maths Day medals to the following class winners:

- 2nd Grade Leonardo Lindstrom
- 3rd Grade Daria Grimaldi
- 4th Grade Finni Kearney
- 5th Grade Federico Perfetto
- 6th Grade Lorenzo Lindstrom
- 7th Grade Francesco Decoro
- 8th Grade Cassidy Vaughn

Congratulations to all the children who participated in this event.

TAIS News

We wish everyone a happy return from the winter break and hope everyone had a great holiday season.

Mid-term report cards will be completed this month and parents should sign up with their child's classroom teacher to schedule a conference. Conferences will be conducted on the 29th of January from 08:30 to 15:30.

After a difficult selection process involving the 6th, 7th and 8th Grades appointees to represent TAIS in New York City for the U.N. "Change The World" initiative have been chosen. All of the students which applied did an outstanding job and they should be proud of themselves.
